THE CENTERPIECE OF OUR KITCHEN

XAVER WOOD-FIRED GRILL OVEN

Its high working temperature makes it possible to grill and roast food. „Xaver“ gives the food a unique aromatic fine wood smoke flavour during preparation. Tenderness and incomparable flavour are guaranteed. The grill oven is 35% faster than a grill and contains two appliances in one. The appliance uses 40% less charcoal than an open grill. The food does not dry out or burn.
