CHRISTMAS IS NOT A SEASON. IT IS A FEELING.

Dear guests,

Welcome to PAULANER Nockherberg – at a time of year that allows us all to pause for a moment. We wish you a wonderful, peaceful, and enchanting Christmas season – full of warmth, sparkling lights, and pleasant encounters.

In this often hectic world, we want your visit with us to be a little break from everyday life. Sit back, leave your worries and the news behind for a moment, and enjoy the here and now – with the people who are important to you.

Our team will spoil you with a variety of Christmas delicacies, prepared with love and care – culinary moments designed to warm your heart and soul.

We wish you all the best for 2026 – health, peace, and humanity. May it be a year full of beautiful moments and optimism.

Yours sincerely,

Christian Schottenhamel & Florian Lechner

*Passion
for Grilling®*

THE HEART OF OUR KITCHEN

WOOD-FIRED GRILL OVEN "XAVER"

Its high operating temperature allows food to be grilled and roasted. "Xaver" gives food a unique aromatic hardwood smoke flavor. Tenderness and incomparable taste are guaranteed. The grill oven is 35% faster than a barbecue. The appliance uses 40% less charcoal. Food does not dry out or burn.
